

# **Foss Lake Association Donates Two-Way Radios to FLAP**

03.08.2013

The Foss Lake Association recently made a donation of two Motorola commercial series two-way radios to the Foss Lake Adventure Program (FLAP) of Southwestern Oklahoma State University in Weatherford. Making the presentation was (left) Foss Lake Association President Eric Puyer. FLAP Site Administrator Joey Nutley (right) said the Foss Lake Association is ardent and continuous supporters of the program, which is a residential program for Oklahoma youth. The hand-held radios will support the many activities of FLAP. Also pictured is Semaj Johnson.
