

Safely Dispose of Meds this Friday in Weatherford with SWOSU Pharmacy Frat

03.24.2014

A Prescription Medication Take-Back Day is planned this Friday, March 28, in Weatherford.

SWOSU's Kappa Psi pharmaceutical fraternity will host the event at Health Express Pharmacy (1001 N. Washington Street) from 10 a.m. until 4 p.m.

Colton Danyeur, vice regent of Kappa Psi, said this event aims to provide a safe, convenient and responsible means of disposing of expired, unwanted or unused prescription drugs. The service is free and available to everyone. Kappa Psi will also provide free, onsite health services, such as blood pressure screenings.
