

# Clinton Veteran's Center to be Site for Saturday's Miss America Serves Day

04.13.2016

The Veteran's Center in western Oklahoma, located in Clinton, will be one of three sites in Oklahoma this Saturday, April 16, that will have Miss Oklahoma and Miss Oklahoma's Teen candidates participating in Miss America Serves Day.

The Miss America Serves Day is a national day of volunteer service presented by Children's Miracle Network Hospitals. These dedicated volunteers come together in an effort to give back to their communities while raising funds for member hospitals across the country.

The activities at the Veteran's Center in Clinton will start at 1 p.m. Thirteen girls will celebrate the veterans' birthdays for the 2016 year and play bingo with the residents. Each girl is to raise money, and the contestants would like to hear from western Oklahoma residents and friends this Saturday. Debbie Brown, director of the Miss SWOSU Pageant, said this is only the second year for Miss America Serves Day and is grateful to the Miss Oklahoma Pageant for allowing girls to serve in western Oklahoma. Other locations are in Oklahoma City and Tulsa.

"Service and community awareness are vital components of our organization and by giving our young women the opportunity to create a legacy of service and support, we hope that their commitment to volunteerism will inspire others to find ways to seek out service in their own communities," Brown said.
