

SWA to Present Car to SWOSU Student

03.15.2007

Southwestern Oklahoma State University's Social Work Association will present a car to a SWOSU special needs student on Friday, March 16, at 2 p.m. at the Clock Tower area on the Weatherford campus.

The SWA received the donated car, which needed some repair work, and the group raised money through bake sales and other projects to have the car repaired.

Chris Gregston, faculty sponsor of the SWA, said the student will be surprised with the announcement on Friday. Everyone is invited to the presentation.
