

SWOSU Biology Club Plant Sale This Thursday

04.05.2010

Southwestern Oklahoma State University's Biology Club will host its annual plant sale this Thursday, April 8, from 8 a.m. to 4 p.m. in the Memorial Student Center on the Weatherford campus.

"There will be smaller to larger plants priced very reasonably," said faculty sponsor Sue Ball. "It really is a good deal."

The plant sale is the primary fundraiser for the biology club. According to Ball, the biology club will use the money that they raise to support various community and academic activities. In the past, the biology club has supported Relay for Life and Angel Tree, helped fund a scholarship within the department, and paid registration fees to send biology students to scientific meetings across the nation.

Additional information is available by contacting Biology Club President Whitney Wichert at wichertw@student.swosu.edu or Dr. Bill Seibert at bill.seibert@swosu.edu or 580.774.3097.
