

Simulated Wreck Planned to Show Dangers of Drunk Driving

04.01.2011

The trauma nursing class at Southwestern Oklahoma State University will give a presentation on the dangers of drunk driving on Friday, April 8, to students at Weatherford High School.

Students will see a simulated wreck that includes injuries, arrests, and emergency medical response. Also, members of the fire department, police department, Highway Patrol, Sinor EMS, and a life flight crew will be in attendance. The presentation will take place approximately 1 until 2:15 p.m.

For more information, contact SWOSU nursing instructor Marcy Tanner at 580.774.3178.
