SWOSU Announces Flex-Chem Field at Milam Stadium

Flex-Chem Corporation and Southwestern Oklahoma State University have announced a major sponsorship agreement that will provide much-needed financial resources to SWOSU's athletic programs. In recognition of Flex-Chem's support, the SWOSU football field will be called "Flex-Chem Field at Milam Stadium." Finalizing the agreement recently were (left) Flex-Chem Corporation founder Bryce Conway and SWOSU President Randy L. Beutler.

Southwestern Oklahoma State University (SWOSU) with locations in Weatherford and Sayre has announced a major sponsorship agreement with Flex-Chem Corporation.

Founded in 2002 by 1995 SWOSU alumnus Bryce Conway, Flex-Chem is a technology company recognized as a leader in providing innovative chemical solutions in the energy production industry. Flex-Chem maintains operations in Weatherford, Edmond, Ada and Pecos (TX).

Flex-Chem's generous sponsorship commitment will provide much-needed financial resources to SWOSU's athletic programs. In recognition of Flex-Chem's support, the SWOSU football field will be called "Flex-Chem Field at Milam Stadium" with the first home football game of the season being styled "The Flex-Chem Kickoff Classic."

"I am grateful to SWOSU for the outstanding start I received there," Conway said. "It's a pleasure to be able to give back to my alma mater. I'm excited about this partnership between SWOSU and Flex-Chem!"

Conway is the son of public-school administrators who worked in the Brownsville Independent School District (TX). Conway graduated from high school in Brownsville (TX) and then studied chemistry and biology at SWOSU. He resides in Edmond and is the proud father of two sons, Kennan and Jett. The Conways attend Memorial Road Church of Christ.

"Here at SWOSU, we are very proud of alumni like Bryce Conway who have made the most of the affordable, quality education we provide to our students," said SWOSU President Dr. Randy L. Beutler. "Bryce's enterprising enthusiasm and tireless hard work in building Flex-Chem represent some of the finest values we seek to instill at our institution. We are truly grateful to Flex-Chem and Bryce Conway for this incredibly generous sponsorship, which will greatly benefit SWOSU's student-athletes and athletic facilities."

Flex-Chem's sponsorship of SWOSU athletic programs is stewarded by the SWOSU Foundation, Inc. The Foundation was founded in 1977 to promote philanthropy, award scholarships, and distribute funds to support the activities and programs of SWOSU. Located on the Weatherford campus in the historic Burton House, the Foundation currently administers nearly \$30 million in assets for the benefit of SWOSU.
