Medco Health Solutions of Fort Worth, TX, recently contributed \$5,000 to the Southwestern Oklahoma State University College of Pharmacy Scholarship Fund in Weatherford.

“Through the years, Medco has encountered many successful stories from SWOSU College of Pharmacy graduates who have joined our company fulfilling their career ambition as pharmacists,” said Ross Luce, director of pharmacy practice for Medco. “It is important for Medco to play an active role in supporting the SWOSU pharmacy program and we look forward in the future to further strengthening our mutually enriching relationship.”

By providing scholarship funding, Medco is fulfilling the goals of its University Level Support Program to advance pharmacy training with selected colleges committed to educating students for the areas of professional pharmacy practice.

SWOSU College of Pharmacy Dean Dr. David Bergman said the active role that Medco is taking with SWOSU is greatly appreciated. The gift will benefit deserving pharmacy students at SWOSU.
