Southwestern Oklahoma State University
Faculty Senate Meeting
August 28, 2009, 2:00 pm, EDU 201
Approved Faculty Senate Meeting Minutes

- I. CALL TO ORDER:** The August 28, 2009, meeting of the Faculty Senate was called to order at 2:00 PM in Education 201 with FS President Scott Long presiding.
- II. ESTABLISH QUORUM:** The following members were present: Warren Akers, Lisa Appeddu, John Bradshaw, Stephen Burgess, Chelsea Church, Kevin Collins, Tommye Davis (Sayre), Vicky Gilliland, Terry Goforth, John Hayden, Rita Hays, Sophia Lee, Joe London, Scott Long, Warren Moseley, Edna Patatanian, Les Ramos, Ann Russell, Lisa Schroeder, Ric Baugher for Jeff Short, Muatasem Ubeidat, Dennis Widen, Jonathon Woltz and Tyler Rogers (SGA Rep).
- III. CERTIFICATION OF SUBSTITUTES:** Ric Baugher for Jeff Short; Warren Akers is taking the place of Hung Chieh Chang as the Faculty Senator for Mathematics.
- IV. PRESENTATION OF VISITORS:** None.
- V. APPROVAL OF MINUTES:** Minutes of the June 23, 2009, meeting and the July 21, 2009, meeting were approved by voice vote.
- VI. ANNOUNCEMENTS:**
 - A. From FS President Scott Long:**
 - 1. General:**
 - a. Health Insurance Update** – A memo from Kim Cherry, Chair for the RUSO evaluation of health benefits committee, sent a statement stating “We will be recommending BC/BS for Health and Dental Plans, VSP for Vision, and HealthSmart for the Retiree/COBRA administrator.” Therefore it appears that Blue Cross/Blue Shield will be the carrier for health insurance, to be in effect on January 1, 2010. A comparison of BC/BS and HealthChoice is provided at the end of the minutes – differences between the plans are highlighted in red ink.
 - 2. Meeting with the Provost:**
 - a. Faculty ID’s** - Concerning the motion passed by FS last month (FS Motion 2009-07-01) calling for faculty IDs to no longer carry an expiration date and proposed changes in the faculty handbook, the FS Executive Committee learned that IDs are purchased “pre-made” with a yearly expiration date pre-printed on them. The Provost will look into the possibility of obtaining other types of IDs or other sources. In the meantime, all IDs have a yearly expiration date.
 - b. Budget** - The budget for the 2009-2010 school year looks good, and it is reported that, at this time, SWOSU should have little to no difficulty in meeting its financial responsibilities. The FY2010-2011 budget also appears to be okay at this point, while concern is still being expressed for the 2011-2012 academic year.
 - c. Faculty Handbook** – Following the July 2009 Faculty Senate meeting, the revised handbook was made available to the Faculty Senate Executive Committee for review. An Ad Hoc Committee was formed to review the handbook. Some questions arose and some areas of concern were identified. This will be discussed under Committee Reports.

- d. New Faculty Reception** – This social event, as hosted by the Faculty Senate, will be held next Tuesday, September 1, 2009, in the Bulldog Beanery from 2:30 PM until 4:00 PM. The come-and-go reception will offer refreshments from food services and drinks from the Beanery, complimentary of the Faculty Senate.

c. Faculty Senate Dues collected to date: \$ 890.00

C. FS President-elect Muatasem Ubeidat: Request that the members of the Faculty Senate Budget Contingency Planning *Ad Hoc* Committee meeting immediately following the conclusion of the Faculty Senate meeting. Also, please email ideas on budget planning and savings ideas to him.

D. FS Past President Les Ramos: Nothing to report.

E. FS Student Government Representative Tyler Rogers: Nothing to Report.

VII. REPORTS FROM STANDING AND AD HOC COMMITTEES:

A. Report from the *Ad hoc* Committee on the Faculty Handbook - The *Ad hoc* Committee formed to evaluate the revised Faculty Handbook (Scott Long, Les Ramos, Lisa Appeddu, Muatasem Ubeidat, John Hayden, Terry Goforth, Stephen Burgess) reviewed the document. For the most part, revisions consisted of wording changes to make the Handbook in line with the restructuring and renaming of Administrative positions and Colleges/ Departments / Schools. Several questions were raised. Most of these were relatively minor with some points of concern. Four outstanding concerns remain at this time. These were sent in an e-mail to the Provost on August 12, 2009, and included the following:

1. Sick Leave Policy (Found in current Faculty Handbook, page 67): A paragraph was crossed out regarding the placement of “unused sick leave” into a “SWOSU Sick Leave Bank.” Faculty Senate Question: What happens to unused sick leave with the omission of this paragraph?

2. Work Day Policy (Found to be included in new version of the Handbook – would be found in the Current Faculty Handbook on page 76, after Workers' Compensation): A paragraph was added into the new version of the Handbook which defines the workday as being, “in general, from 8:00 a.m. to 5:00 p.m.,” and that “deviations from the workday should be approved by the department chair.” It also states, “The work week for full-time faculty and professional employees is not more than forty hours per week including authorized leave.” Note:

This is a MAJOR concern of the Faculty Senate. The Faculty Senate cannot support this section as it is written now and, therefore, would not endorse this version of the Handbook.

3. Promotion of Instructors (Proposed by Faculty Senate to put into Current Faculty Handbook on page 107, after Service): The Faculty Senate had approved and forwarded recommendations concerning promotion of Instructors. These are not found in the new version of the Handbook. Faculty Senate Question: What is the status of this recommendation - Is it still under review, or has it been denied by the Administration?

4. Academic Dishonesty (Found to be included in new version of the Handbook – would be found in the Current Faculty Handbook on page 122, as the first item under Student Affairs): The wording of the policy could be interpreted as the “instructor of record” has the ability to expel a student from SWOSU. Faculty Senate question: Should the wording be changed to indicate this is not the case?

VIII. UNFINISHED BUSINESS: None.

IX. NEW BUSINESS:

A. Regarding the new version of the Faculty Handbook:

1. The following motion was moved and seconded:

FS Motion 2009-08-01:

It is proposed that the Faculty Senate submit Dr. John Hay’s 2002 memo as the workday policy to include in the new version of the Faculty Handbook, as follows:

All professional personnel employed by Southwestern Oklahoma State University are expected to meet all professional responsibilities. To meet such responsibilities might often require more than forty hours of work per week or more than eight hours of work per day. There will also be some days and weeks that may actually require less work than the so-called normal workday or workweek. Professional personnel should not be, in effect, “punching” the proverbial time clock. All exempt employees, as defined by the Fair Labor Standards Act, are considered professional employees. This generally includes many administrative employees and all faculty. As to work hours, each budget unit is expected to monitor itself as to what is a reasonable and fair work expectation for each professional member of the unit. In the event that there are abuses of general work expectations and members of a particular unit cannot develop a spirit of work harmony, then the next level of administration above the particular unit should be consulted to address the situation. If need be, the concern can be carried up the administrative levels to the President of the University.

(Source: September 2, 2002, Memo from President Hays to the Executive Council Members regarding Professional Employees)

The motion passed by voice vote.

2. The following amendment was moved and seconded

FS Motion 2009-08-02:

It is proposed that the Faculty Senate amend Dr. John Hay's 2002 memo as follows:

1. Strike out the second and third sentences of the passage, starting with "To meet such responsibilities..." and ending at "...normal workday or workweek."
2. Replace with "Meeting such responsibilities may involve varying amounts of work from week to week, occasionally exceeding 40 hours and occasionally falling below 40 hours."

The motion failed by voice vote.

B. Adoption of Robert's Rules of Order:

The following motion was moved and seconded:

FS Motion 2009-08-03:

It is proposed the Faculty Senate adopt the proposed 2009-2010 standard rules of conducting business during meetings using traditional parliamentary procedure (*Robert's Rules of Order*).

The motion passed by voice vote.

C. Approval of 2009-2010 Budget:

The following motion was moved and seconded:

FS Motion 2009-08-04:

It is proposed the Faculty Senate adopt the proposed 2009-2010 Faculty Senate budget:

<u>Faculty Senate Dues</u>	<u>\$900</u>
Total Income	\$1,100

The motion passed by voice vote.

D. Distribution of Eligible Faculty List for the 2009-2010 Faculty University Promotion and Tenure Review Committee (FUPTRC): According to the current Faculty Handbook, to be eligible to serve on FUPTRC, a faculty member should be tenured, have achieved a minimum rank of Assistant Professor, have 7 years experience, and should not have served on the 2007-2008 FUPTRC. See the attached list of eligible faculty. Eligible faculty members will be surveyed for their interest to serve on the 2009-20010 FUPTRC. The FUPTRC Committee will be formed during the September Faculty Senate meeting.

X. ADJOURNMENT: 3:25 p.m.

Respectfully Submitted,

Scott Long, FS President
