

Nikki Noa Senior Art Show April 12-24 at SWOSU

04.09.2010

Nikki Noa, a senior from Hydro at Southwestern Oklahoma State University in Weatherford, is having her senior show starting April 12 and continuing through April 24.

Her show is an installation called "Spherical." An installation is a site specific, three-dimensional work designed to transform the perception of a space.

Noa's show will be located at the SWOSU Art Department Gallery. The opening reception is Monday, April 12, from 6-8 p.m. with refreshments provided. Admission is free and open to the public.

"I decided to do an installation instead of a traditional senior show because I wanted to do something to show what this department is really about," Noa said. I would like to express thanks to the SWOSU Art Department for their support, my fellow classmates for their many hours of hard work, and especially to EK Jeong, my advisor, for her tireless help and a "gentle" nudge to guide me in the right direction."

Gallery hours are Monday through Friday from 8 a.m. to 7 p.m.
