

# Life@SWOSU Has New Design

04.05.2007

Southwestern Oklahoma State University's student web site, Life@SWOSU, has a new design.

Everyone is encouraged to check out the site, located at [life.swosu.edu](http://life.swosu.edu).

According to SWOSU web services manager Karen Wilson, the new site design offers an enhanced calendar, improved user profiles, threaded forums, comments on articles, the administrative team's Blog and a new layout.

Administrative team members are Nick Lindley, system administrator/programmer; Karl Kirch, system administrator/programmer; and Stephanie Woloszyn, designer/photographer/office manager.

Due to the switch and the abundance of forgotten marketplace items, the team encourages anyone who is still interested in selling or buying certain items to relist on the new site.
