

Candle Service Set Friday at SWOSU to Support Students from Nepal

04.29.2015

The Southwestern Oklahoma State University International Student Association (SISA) invites area residents to participate in a special ceremony this Friday night, May 1, on the Weatherford campus.

Friendship and support to the students/friends of Nepal will be extended at 8 p.m. at the SWOSU Clock Tower.

SISA Sponsor Dr. David Hertzell said candles will be lit, and cups of tea will be served to those in attendance to show support to the students and their families during these days of crisis and suffering in Nepal.

Everyone is invited.
