B. FS Executive Committee Meeting with the Provost:

- 1. Budget update: Even after the election is over and the defeat of SQ744, the budget of State Agencies and higher education still not in the black. We have to continue to operate cautiously and frugally.
- 2. Clarification regarding FS Motion 2010-10-01 (allowing tenure candidate to know the

vote outcome of the Academic Unit): The removal of “grant” or “deny” boxes from the Tenure Cover Sheet is in agreement with the RUSO Policy. The Executive Committee communicated the confusion regarding the interpretation of the RUSO Policy and suggested contacting RUSO for clarification. The provost said that the RUSO Attorney was consulted in 2005. The Provost will consult again with the Attorney regarding this point.

3. The Provost will present the suggestion of the FS to delete the sentence that read “*The applicant may respond to the written summary by completing the appropriate form and adding it to the promotion / tenure documents for review by the next level*” from the Faculty Handbook to the Deans Council at their next meeting. For more information please see the FS minutes from October Meeting.
