

SWOSU Students Asked to complete Panorama Series Surveys

04.11.2013

SWOSU Panorama Committee will survey students about 2013-14 Panorama programming April 16-18 on Desire2Learn.

SWOSU students can take the survey from 8 a.m. on April 16 (Tuesday) through 10 p.m. on April 18 (Thursday).

Brian Adler, chair of the committee, said opinions are wanted on the proposed programs for three different areas: cultural, issues and entertainment. On the entertainment section, students will be asked their preference of a comedian, music concert or big-name celebrity/speaker to kick off the opening of the new Events Center on campus.
