04.17.2014

The students of Southwestern Oklahoma State University will take to the online voting polls this Monday and Tuesday, April 21-22, to cast votes for Student Government officer candidates and mark preferences for next year's Panorama Series.

The voting takes place on Canvas, and the polls are open from 8 a.m. Monday morning until 5 p.m. Tuesday afternoon.

The SGA elections include candidates for president, vice president and treasurer. The presidential candidate is Taylor Kincanon, a finance major from Weatherford. Candidate for vice president is Austin Cantrell, a Blanchard native and biology major. Dossanna Miller of Fairview is studying mathematics education and running for the treasurer position.

Student input is needed in selecting performers for the 2014-15 Panorama Series. Voters will vote for an entertainer, issue and cultural event. Entertainers on the Panorama survey include Luke Bryan, Darius Rucker, Eli Young Band and Blue Man Group. Issue event performers are Rainn Wilson, Alan Cumming and Greg Louganis. The cultural event choices include iLuminate, MUMMENSCHANZ and The Second City.
