Two Southwestern Oklahoma State University graduate students in Weatherford have been selected to each receive \$2,000 Delta Mu Delta Board Award Scholarships.

Silvera played for the SWOSU soccer team as an undergraduate student while completing a Bachelor of Business Administration in Entrepreneurship. After graduating in December 2019, Silvera is pursuing a Master of Business Administration. She is currently employed as a SWOSU graduate assistant and helps coach the SWOSU soccer team.

Freeburg was awarded a Bachelor of Business Administration in Finance in May 2020. He is now pursuing a Master of Business Administration while working full time at Oklahoma Bank and Trust in Clinton.
