Accreditation Team to Visit SWOSU

Southwestern Oklahoma State University in Weatherford and Sayre will undergo a comprehensive evaluation visit October 5-6 by a team representing the Higher Learning Commission (HLC) of the North Central Association (NCA).

All universities governed by the NCA are required to have visits at least once every 10 years.

SWOSU has been accredited by the HLC/NCA since 1949.

The visiting team will review the institution's ongoing ability to meet the HLC/NCA's Criteria for Accreditation. SWOSU Associate Provost Dr. Joel Kendall, who has steered the university's planning efforts in preparation for the visit, said part of the two days of activities will be done in person while some will take place virtually.
