Southwestern Oklahoma State University at Sayre is celebrating three anniversaries this year and a 30/50/80 display is on display through June 22 in the Memorial Student Center lobby on the Weatherford campus.

The public is invited to view the display.

SWOSU-Sayre is observing 30 years since Sayre Junior College (SJC) merged with Southwestern Oklahoma State University, 50 years since the Medical Laboratory Technician and Radiologic Technology programs started, and 80 years since higher education began in Sayre with the founding of SJC.

Over 30 tri-fold displays entitled "A Walk Down Memory Lane" are available for viewing in the Memorial Student Union lobby. SWOSU-Sayre students in Terry Ford's Composition II class created the displays to commemorate important dates and persons involved in the evolution of Sayre Junior College into the SWOSU campus it is today.
