Brian Hander of Denison (TX) won the 3rd annual Southwestern Oklahoma State University College of Pharmacy Spelling Bee in a fundraising contest.

SWOSU's chapter of the Rho Chi Pharmacy academic honor society hosted the event and raised \$366 in donations to support Mended Little Hearts, an organization that provides hope and support to children, families, and caregivers impacted by congenital heart defects.

Nineteen pharmacy students entered the contest. Hander won the contest, while Cash Cooper of Lindsay placed second. Loza Dejene of Stillwater won third.

Rho Chi President Felecia Neparko said the contest was a fun way to raise donations for the MLH.
