

Local Motorists Urged to Use Caution Through SWOSU Campus

06.02.2015

Southwestern Oklahoma State University summer classes and activities are beginning in Weatherford, and Public Safety Director Kendra Brown advises area residents to use caution while driving through the campus area.

“Each semester brings new students to campus that are not yet familiar with the way traffic flows through the area, so this is just a reminder to local motorists to exercise caution while driving in and around campus,” Brown said.

SWOSU is offering 27 youth camps this summer and semester classes started June 1.
