Motorists Encouraged to Use Caution Through SWOSU Campus

Southwestern Oklahoma State University fall semester classes begin August 19 on the Weatherford campus, and SWOSU Public Safety Director Kendra Brown advises area residents to use caution while driving through the campus area.

“We have new students each fall on campus that are not yet familiar with the way traffic flows through the area, so this is just a reminder to local motorists to exercise caution while driving on and around campus,” Brown said.

Davis Road is one of the most traveled thoroughfares through campus so extra caution is needed there. In addition, as a reminder, the Campus Drive “U” is a one-way street in an east-to-west direction.
