- II. ESTABLISHMENT OF A QUORUM:** The following members were in attendance: Jimena Aracena, Kristin Griffeath (for David Bessinger), Tammy Blatnick, John Bradshaw, Brad Fitzgerald (for Brad Bryant), Dayna Coker (Sayre). Tommye Davis (Sayre), Stacey Dipaolo, Jerry Dunn (Sayre), Jared Edwards, Fred Gates, Ryan Haggard, Tiffany Kessler, Doug Linder, Jim Long, Scott Long, Kris Mahlock, Tom McNamara, Evette Meliza, Bo Pagliosotti, Kevin Collins (for Cynthia Pena), Linda Pye, Ann Russell, Lisa Schroeder, Karen Sweeney, Wayne Trail, and Trisha Wald.
- III. CERTIFICATION OF SUBSTITUTES:** Kristin Griffeath attended the meeting in place of David Bessinger, Brad Fitzgerald replaced Brad Bryant, and Kevin Collins attended instead of Cynthia Pena.
- IV. PRESENTATION OF VISITORS:** There were no visitors at the meeting.
- V. APPROVAL OF MINUTES:** The Minutes from the March meeting were approved through a voice vote.
- VI. ANNOUNCEMENTS:**
 - A. Faculty Senate President Evette Meliza**
 - 1. From the Executive Council meeting of April 20, 2015:**
 - a. There has been no agreement between the House and Senate on the budget.
 - b. The OLAP bill is still alive. It requires students to complete 30 hours each academic year to stay eligible for OLAP funds.
 - c. The SWOSU budget is \$800,000 in deficit now. A 2-3% enrollment increase is needed to balance the budget this year.
 - d. President Beutler, Dr. South, and Mr. Fagan have been visiting departments on campus discussing budget issues.
 - e. Summer enrollment is up 2%. Fall enrollment is down at this time.
 - f. When the State of Oklahoma becomes a member of the SARA program, SWOSU can join and become very competitive with online classes.
 - g. Wellness Center, event center, student activity, and ITS fees are currently paid by all students. The question of what fees students in totally online programs should and should not pay will need to be examined.
 - h. To conserve energy, SWOSU administrative offices will be open from 7:30-4:00 beginning May 11th. Regular hours will resume on August 10th. During the summer, as many HVAC units as possible will be turned off at 4:00. There will be exceptions as needed. This is a result of the governor's mandate to reduce energy consumption 20% by 2020. The base year for the 20x20 mandate is 2013.

Unfortunately, the energy consumption savings SWOSU made between 2005 and 2013 will not count under the mandate.

- i. With the closing of the Cheyenne Arapaho Tribal College, students from the college will need advisors. If you would like to volunteer, please contact Dr. Boyd, the Vice President of Student Affairs. SWOSU would like to offer two former CATC courses each semester using adjuncts.
 - j. The Dean of Students discussed Title IX compliance. There are 50 new Title IX requirements, 17 of which can be satisfied without additional funds at SWOSU. Title IX compliance could cost \$100,000 a year. Annual Title IX training will be required for all of the SWOSU community. Before these new requirements, SWOSU had been totally Title IX compliant. The deadline for compliance with the new requirements is November 2015.
 - k. Commencement will be held May 9th beginning at 10:00.
- 2. From the Administrative Council meeting of April 20, 2015:**
- a. Distance and eLearning reminds faculty that Lynda.com is available to help both faculty and students with a variety of topics.
 - b. Twenty online courses have been totally approved for Fall 2015, however, 73 rubrics still need to be submitted for fall online courses. This is necessary to meet the requirements for SARA.
 - c. Distance and eLearning is working on accessibility for online courses. Transcripts for courses will be needed. Subtitles will also be needed for videos and images posted to courses on Canvas. The target date is to be announced.
 - d. Classroom technology updates are ongoing. A fax server will be installed for the 75 fax machines on campus.
 - e. READ program posters in the library are being replaced with updated posters. The softball team is on one of the new posters.
 - f. The Library is sponsoring DeStress Fest during finals. Snacks and a therapy dog will be available for those who need to de-stress. The Library will also have extended hours on the Friday through Sunday before finals begin.
 - g. There have been three New Student Orientation sessions with 589 freshmen. Todd Boyd asked that anyone who will be attending an area high school awards ceremony and would be willing to present SWOSU awards at the ceremony contact him. His office is unable to attend all of the ceremonies and would like to have representatives at as many events as possible.
 - h. The April 20, 2015 meeting with the Provost was postponed.
 - i. The Faculty Senate is hosting a retirement reception on Thursday, April 30th from 2:00 to 4:00 in the Bulldog Beanery. Those faculty members retiring are: Kathy Brooks, Arden Aspedon, Les Crall, Ralph May, Warren Moseley, Valerie Reimers, Helen Maxson, Viki Craig, Marion Prichard, Ray Read, and Richard Stowe.

2. **Report from the Faculty Senate Nominating Committee:** See Appendix A for the candidates who have volunteered to fill the positions on the various Faculty Standing Committees.

Faculty Senate Motion 2015-04-01: The open positions on the various Faculty Standing Committees shall be filled according to the plan set forth on the slate ballot.

The motion passed by a voice vote. There was no opposition.

VIII. UNFINISHED BUSINESS: There was no unfinished business from the March meeting.

IX. NEW BUSINESS:

Faculty Senate Motion 2015-04-02: The faculty senate proposes that the faculty members of the committee for approving honorary doctorates be appointed by the faculty senate and limited to faculty members with earned doctorates.

Rationale: As a standing committee approved by the faculty senate, it seems reasonable that the faculty senate be involved in the formulation of the committee itself. Also, those voting to award doctoral degrees to others should hold earned doctoral degrees and the perspective that comes from that process in order to stress a high standard of achievement to justify the awarding of said honorary degrees.

The motion was passed following a voice vote with no opposition.

Point of Information: While the Faculty Senate is sensitive to the needs of those with disabilities, there is concern regarding the administration's response to new interpretations of federal regulations. It is the opinion of the Faculty Senate that the administration is underestimating the person-hours needed to execute these changes by the Fall semester of 2015.

Respectfully submitted,

Evette Meliza, Faculty Senate President

Tom McNamara, Faculty Senate Secretary
