

SWOSU Kinesiology Department Forms Advisory Board

07.05.2006

Members of the board include (front from left): Dr. Vicki Hatton, SWOSU; Judy Duncan, Oklahoma State Department of Education; and Stephanie Bose, Independence Middle School, Yukon. Back from left--Dana Chambers, Oklahoma City schools; Mike Franz, Putnam City Elementary Public School; Russell Radford, Independence Middle School, Yukon; and Marki Payne, Crosby Elementary School, Lawton. Not pictured are Amber Sturgeon of SWOSU and Chris Tidwell of Lawton Public Schools.

The Department of Kinesiology at Southwestern Oklahoma State University in Weatherford recently formed an advisory board in which the members will share experiences and suggestions for an even better program at SWOSU. Chair Dr. Vicki Hatton said the department strives to have one of the best health and physical education programs in the state and the southwest United States. The advisory board will meet annually.
