

KE Raises \$300 for Agape Medical Clinic

05.27.2014

Kappa Epsilon Professional Pharmacy Fraternity at Southwestern Oklahoma State University recently raised nearly \$300 from a pancake supper to benefit the Agape Medical Clinic in Weatherford. It has been a tradition of the fraternity to host an annual Kappa Epsilon vs. faculty basketball game with the pancake supper to follow. These events have traditionally been held on the Monday before the start of spring semester finals, which is a way for students and faculty to join in friendly competition and the supper. Making the presentation to Agape Pharmacy Director Dr. W Steven Pray are (left) KE members Jessica Murphy of Tulsa (Union) and Kim Ly of Wylie TX.
