

# Personal Safety Training Course Offered this Summer

06.06.2014

Southwestern Oklahoma State University will offer a personal safety training course this summer on the Weatherford campus.

The class will meet once a week from 7-9 p.m. or at students' convenience in the Wellness Center, and enrollees will receive one credit hour.

The course will teach avoid, deflect and escape tactics. Class begins Tuesday, June 10, but students can enroll through June 17. For more information, contact instructor of the personal safety course Dr. Robert Sam Lackey at 580.774.4602 or at [robert.lackey@swosu.edu](mailto:robert.lackey@swosu.edu).
