

# Hix Honored by St. Anthony Hospital

07.29.2015

Southwestern Oklahoma State University College of Pharmacy Associate Professor Dr. Meri Hix was recently awarded the St. Anthony Hospital Medical Residents' Award of Appreciation. The award was given by the Oklahoma City hospital for Hix's teaching abilities and patient care skill that she provides on a daily basis to the staff, residents and patients at St. Anthony Hospital. Hix works with family medicine residents, program faculty and teaching assistants on an inpatient rounding team, reviewing and consulting on patients. The award was given during the annual St. Anthony's Family Medicine Residency graduation and awards banquet.
