Local Motorists Urged to be Cautious through SWOSU Campus

Southwestern Oklahoma State University fall semester classes and activities are underway on the Weatherford campus, and Public Safety Director Kendra Brown advises area residents to use caution while driving through the campus area.

“Each fall brings many new students to campus that are not yet familiar with the way traffic flows through the area, so this is just a reminder to local motorists to exercise caution while driving on and around campus,” Brown said.

Brown said Davis Road is one of the most traveled thoroughfares through campus so extra caution is needed there. In addition, as a reminder, the Campus Drive “U” is a one-way street in an east-to-west direction.
