

# **SWOSU Majors Fair Planned September 27**

09.12.2017

The New Student Orientation and Career Services Offices will be sponsoring a SWOSU Majors Fair on Wednesday, September 27, on the Weatherford campus.

The fair will take place in the Memorial Student Center lobby from 10 a.m. until 1 p.m.

SWOSU Career Services Coordinator Heather Hummel said the majors fair gives undecided students an opportunity to browse the SWOSU major options in a format similar to SWOSU Saturday. At least one representative from each academic department will be available to talk with students during the fair.

The academic student organizations are also invited to participate in the fair.

Additional information is available by calling the career services office at 580.774.3233.
