

Van Service Now Available on Sundays for SWOSU Students

09.12.2017

A van service for all SWOSU students to do shopping in Weatherford has been started at the university.

A van is available each Sunday from 2-5 p.m.

The van will depart the SWOSU campus from the parking lot near the Clock Tower (Bulldog Statue) between the Memorial Student Center and the Al Harris Library. It is available to take students to the business of their choice within Weatherford. The driver will transport a student and arrange a pickup time. Students must plan to return by 5 p.m.

Randy Beckloff said students should just show up at the clock tower area. If the van is not there, students are asked to wait for it to return. All SWOSU students are welcome to use the service.
