

Voter Registration Drive Underway at SWOSU

08.25.2015

Southwestern Oklahoma State University students at Weatherford and Sayre are encouraged to register to vote!

SWOSU is participating in a statewide voter registration contest. The contest is between various state schools and is intended to reinforce the importance of exercising a person's civil right to vote and contribute opinions.

Students have the opportunity to register to vote in the Dean of Students office (Stafford 211) until the final count for each school is due on October 16. SWOSU is competing against universities of similar size. There is also an award for out-of-state students who register in Oklahoma.

For more information about the contest, rules, or legal requirements associated with voting, contact the Dean of Students office at 580.774.3767.
