

Tailgating Planned at SWOSU Business Enterprise Center

08.30.2016

The newly renamed Business Enterprise Center at Southwestern Oklahoma State University plans to host pre-game tailgating before each home SWOSU football game this season at their facility, just west of Milam Stadium at the corner of 7th and Davis Streets in Weatherford.

This event will begin two hours before game time, and will include a meal and tailgating snacks with the purchase of a ticket to the event.

The BEC will host a free open house this Thursday, September 1, before the first home game.

For a single ticket into the BEC event for the remaining five games, a ticket will cost \$12 per person. A season pass costs \$50 per person and will include tickets for the last five home games. A group pass costs \$150 and will cover four people for the last five home games. The purchase of a group pass or two single season passes will receive a reserved VIP parking spot at the games.

There will be football games being shown, food, soft drinks, beer and other adult beverages available for sale during the tailgating event at the BEC.

For more information about the Business Enterprise Center's pre-game tailgating events, contact Max Pyron at 580.774.7017.
