

CAB Plans to Host Many Events

08.29.2006

The Collegiate Activities Board at Southwestern Oklahoma State University in Weatherford will sponsor numerous events throughout the 2006-07 school year.

Halli Ludwig, public relations chair of CAB, said all of the events are free and fun.

Ludwig said events will be posted on the SWOSU Life page, located on the SWOSU website at www.swosu.edu. Also, flyers with a taxicab logo will be placed around campus announcing the events. She said there will be lots of free giveaways during the year, including cash prizes, trips and lots of "fun stuff" at the different sporting events.

CAB hosted free bowling for all SWOSU students on August 25 at Southwestern Lanes. Over 150 students enjoyed free bowling.

"This was a great way to kick off the new school year", said Shari Annuschat, a junior accounting major.
