

# SWOSU Organization Sponsoring Book Drive

10.09.2017

The Student Oklahoma Education Association at Southwestern Oklahoma State University is sponsoring a book drive through November 3 on the Weatherford campus.

The SOEA is asking for early childhood and young adult books to be donated. The books will be handed out to children during the SWOSU homecoming parade on November 4.

Drop boxes are located in three areas on campus to collect books. The boxes are located in the Stafford Center on the first floor next to the elevator, Campbell Building on the second floor by the staircase on the west side, and Education Building on the first floor next to the main staircase.
