

# SWOSU-Sayre Offering Three Fall Classes in Elk City

07.31.2009

SWOSU-Sayre is offering three night classes in Elk City during the upcoming 2009 fall semester.

Basic Algebra will meet Monday nights; Introduction to Public Speaking is offered Tuesday nights; and Introduction to Business meets Thursday nights. All three classes begin at 6 p.m. The classes will be held at Elk City High School and will be taught by SWOSU-Sayre faculty.

"We're making college more convenient for students," said SWOSU-Sayre instructor Landry Brewer. "Many students live in Elk City or nearby towns in directions opposite Sayre, so we're bringing the classes to them."

Adults and high school students in and around Elk City will benefit.

"High school juniors and seniors with good ACT scores may also take these classes," Brewer said. "This is a great way for them to get a jump on college and a career."

Oklahoma high school seniors with a minimum ACT score may take SWOSU-Sayre courses tuition free.

Night classes meet one night a week, and all the SWOSU-Sayre fall classes begin in August and end in December. The first day of classes is August 19.
