

SWOSU Org Plans Halloween Bag Fundraiser

10.12.2017

Southwestern Oklahoma State University's LGBTQ+ organization—known as the GSM (Gender and Sexual Minorities) Project—will be selling and delivering Halloween Bags as a fundraiser for the club on the Weatherford campus.

The GSM project will have a table set up in the Memorial Student Center from Monday, October 23, through Friday, October 27, to purchase Halloween bags. The bags will contain candy, soda, and glow sticks and will range from one to five dollars.

The bags will be hand delivered to students and faculty on campus on October 30 and October 31. People with off-campus addresses can pick up their bags on those days in the Memorial Student Center from 5-7.

For more information on the fundraiser, contact Isaac Moad at moads@student.swosu.edu.
