

Jazz Ensembles Hosting Open Tryouts for SWOSU Students

08.19.2014

SWOSU students are invited to audition for one of the longest-running jazz ensembles in the state of Oklahoma.

The ensembles are hosting an open tryout for SWOSU students this Wednesday, August 20, from 5-9 p.m. in Room 102 of the Fine Arts Center on the Weatherford campus.

Dr. Richard Tirk, assistant professor of music, said the ensembles are looking for musicians who play piano, bass, guitar, drums, trombone, saxophone and trumpet.

Tirk said some instruments are available if students do not own their own.
