SWOSU Flag

Area residents can now purchase Southwestern Oklahoma State University flags and car flags through the SWOSU Public Relations & Marketing Office in Weatherford.

The 3 X 5 foot flags sell for \$40 and car flags are \$20.

Brian Adler, director of the office, said numerous businesses and individuals have inquired in the past about purchasing the flags that have up-to-date logos, so the university has made them available.

The items are available in the PR & Marketing Office in Room 205 of the Administration Building. For more information, contact the office at 580.774.3063.
