

# **Three SWOSU Students Win \$1,000 Parent's Day Scholarships**

10.06.2016

Southwestern Oklahoma State University students Tatum Gilbreath of Fletcher, Megan Moonen of Claremore and Grace Pence of Hydro each won \$1,000 scholarships during recent Parent's Day activities held on the Weatherford campus.

The scholarships were made possible by local and area businesses in the Weatherford area.

Students and family members registered at businesses throughout the day. The Southwestern Oklahoma State University Foundation and Alumni Office held a drawing and the trio of SWOSU students were the lucky winners.

Gilbreath's winning ticket came from a registration at Best Western Plus, Moonen's at Midwest Music and Pence at Caulkins Conoco.
