

# SWOSU Org Helping Children's Center

10.26.2017

The season of giving is approaching and the Rho Chi pharmacy organization at Southwestern Oklahoma State University in Weatherford is sponsoring a collection of items for the Children's Center Rehabilitation Hospital.

Located in Bethany, the hospital offers a wide range of medical services and rehabilitation to children in long-term care and short-term rehabilitation, and it is the only inpatient pediatric rehabilitation program in Oklahoma.

Basic needs items are requested such as: personal care items, clothing, baby items. Please bring donations to one of the drop off boxes located in the Stafford Center or Student Union by Friday, Nov. 17.

For additional information, contact Rho Chi member Stephanie Gossen at 580.819.1442.
