

9-11 Never Forget Display at SWOSU

09.10.2010

An impressive display of 2,977 flags is stationed just south of the Thomas P. Stafford Center on the Southwestern Oklahoma State University campus in Weatherford. The SWOSU chapter of College Republicans arranged the flags in honor of the lives lost in the September 11, 2001 tragedy in New York City. CR President Alicia Marquis said the display will remain through the weekend and the public is invited to stop by and view the display.
