

SWOSU's Tau Kappa Epsilon Receives National Award

09.10.2010

Southwestern Oklahoma State University's Tau Kappa Epsilon fraternity is a recipient of the Most Improved Chapter Award from the national office.

The award is for the 2009-10 academic year activities.

The SWOSU chapter is one of only four chapters across the United State and Canada to receive this distinction. SWOSU will be featured in *The TEKE* magazine and on the TKE website www.tke.org.

The TKEs are an active fraternity on the SWOSU campus and one of five fraternities involved in the SWOSU Greek Council. The fraternities are joined by three social sororities.
