

# Constitution Week Comes to SWOSU

09.11.2013

The Southwestern Oklahoma State University Collegiate Activities Board's annual Constitution Week begins this Monday, September 16, on the Weatherford campus.

CAB will host a booth in the lobby of the General Thomas P. Stafford Center where students can sign an enormous recreation of the United States Constitution, pick up pocket-sized Constitutions, and register to vote. The booth is open from 9 a.m. – 3 p.m. daily until Friday, September 20.

Dean of Students intern and Constitution Week chair Brady Boyd said it is important for students to register to vote, so they have the opportunity to make their voice heard in elections. He also reminded students that they can register to vote any day in the Dean of Students office.
