

Jeff Corwin Event at SWOSU Changed to November 3

10.01.2008

Emmy winner and Animal Planet host Jeff Corwin will speak at Southwestern Oklahoma State University on Monday, November 3.

Corwin's appearance is part of SWOSU's Panorama series on the Weatherford campus. Admission is free, and the public is invited. His program is entitled "*Tales from the Field with Jeff Corwin*."

Corwin's show was originally planned for November 11, but because of television commitments, the show was moved to November 3.

Corwin has been working for the conservation of endangered species and ecosystems around the world since he was a teenager. Animal Planet audiences best know Corwin as host of The Jeff Corwin Experience. His program on November 3 at SWOSU will feature exotic animals and audience members will be called on-stage to interact with the animals and Corwin during the show.
