

# SWOSU Computer Club Plans Extra Life Lock-In

10.27.2015

Southwestern Oklahoma State University's Computer Club will hold its annual Extra Life Lock-In fundraiser for the Children's Miracle Network Hospitals starting on Friday evening, November 6, and continuing through early Saturday morning.

The Computer Club will provide food and drinks for the event that runs from 6 p.m. until 6 a.m. in Stafford Center 104. Fun games will be played throughout the night for the good cause. Attendees must be 18 years or older. Entrance fee is \$20 and checks should be made payable to SWOSU Computer Club.

It is the attendee's responsibility to bring everything they need to play (i.e. screens, games, game consoles, computers, etc.).

"It's a great cause to stay up and game all night for," said Computer Club co-sponsor Hayden Harrington.

To donate, go to [extra-life.org](http://extra-life.org) and search for the "SWOSU Computer Club" team name by November 7. Harrington said 100% of the money raised will go to benefit local kids through the Children's Miracle Network Hospitals.
