

Chili Cook-Off on Saturday to Benefit Bulldog Angel Fund

10.29.2015

Cooler weather is here and what better time for chili!

Southwestern Oklahoma State University Res Life is hosting a Chili Cook-Off this Saturday, October 31, as part of tailgating activities on the Weatherford campus, and area residents are invited to taste all chili entries for \$5. All proceeds will benefit the Bulldog Angel Fund, an account set up with the SWOSU Foundation to provide relief to students facing a crisis or hardship.

Activities are 12 noon until football game kickoff at 2 p.m. when the Bulldogs host Harding University. The tailgate area is on the west side of Milam Stadium. Check in at the Res Life food trailer on Saturday to get a bowl, spoon and ballot.

For more information, call the Res Life office at 580.774.3024.
