

Tuesday's Circus Spectacular Performance Cancelled

10.30.2015

Circus Spectacular officials announced on Friday that they must regretfully cancel their performances for the rest of the year—including this Tuesday's (November 3) performance at the Pioneer Cellular Event Center in Weatherford—due to unforeseen complications.

Nathan Smith, director of the Pioneer Cellular Event Center, said all money will be refunded to ticket purchasers. Online ticket sales will be refunded by stubwire.com, and individuals that purchased tickets at SWOSU can get their money back in the Public Relations & Marketing Office in Room 205 of the Administration Building.

Smith said the next big public performance will be a February 2 basketball game featuring the famous Harlem Globetrotters. Tickets will go on sale soon.
