

SWOSU Students Volunteer for Stafford Celebration

10.04.2010

The Collegiate Activities Board of SWOSU donated 192 hours for the preparation and celebration of General Thomas P. Stafford's recent 80th birthday party at SWOSU and the Stafford Air & Space Museum of Weatherford. SWOSU students are shown with General Stafford. During the celebration, CAB members worked with youngsters on flying one of 30 aircraft simulators. The students also ran three giant inflatables and served as hosts and hostesses during the day.
