

Take an Underwater Picture with Santa at SWOSU

11.16.2017

Ever wanted an underwater picture with Santa Claus? Southwestern Oklahoma State University's Scuba Club in Weatherford is going to make it happen.

The club is hosting a Discover SCUBA Diving event on Sunday, December 3, with two sessions planned at 3 and 4 p.m. in the University Pool, located at the west end of Rankin Williams Fieldhouse on the SWOSU campus.

In addition to the picture with Santa, participants will learn about equipment and basic SCUBA skills. The event is open to everyone 8 years old and up. Cost is a \$10 donation to the SWOSU SCUBA Club.

Paul Hummel said participants must be able to pass a medical questionnaire and RSVP for the event. Please call 580.774.6015 or email paul.hummel@swosu.edu.
