

Young Girls Invited to Mentoring Program with Miss SWOSU Pageant

10.06.2010

Area young girls ages 5-10 are eligible to participate in a mentoring program in conjunction with the annual Miss Southwestern Pageant on the Weatherford campus.

The girls will participate in the Miss SWOSU "Little Stars" program on-stage during the evening competition of the pageant scheduled for November 13.

As a participant, each girl will receive a crown, an official t-shirt, group photo, one pageant admission ticket and the opportunity to attend a bowling party with the pageant contestants. The fee to participate in the program is \$50 and deadline for entries is October 18.

During the finale of the Miss SWOSU Pageant, two "Little Stars" will be selected to attend the Miss Oklahoma Pageant in June with the new Miss SWOSU.

"This is a great opportunity for young girls," said Miss SWOSU chair Debbie Brown.

"Young girls are inspired by the pageant crown and process, and this opportunity will allow them to build friendships with other contestants and also build their self-esteem."

For more information, contact Brown at 580.774.3063.
