

SWOSU Majors Fair This Thursday

10.12.2010

A SWOSU Majors Fair is planned this Thursday, October 14, on the Weatherford campus.

Tiffany Hawkins, assistant director of career services at SWOSU, said academic departments at SWOSU will be available to visit with students from 12 noon to 2 p.m. in the Memorial Student Center.

Career Services and New Student Orientation are hosting the first-ever fair.

Hawkins said laptops will be available for students to complete the Oklahoma Career and Information System Career Assessment. Staff will be available to discuss results of the assessment and give guidance on which departments they should visit if students are interested. The assessment can also be completed in advance in Stafford Center Room 209 or by visiting the Students/Alumni section of the Career Services website (www.swosu.edu/careers).

Hawkins said everyone is welcome, however all students with undecided majors and students who are unsure about their current major are encouraged to attend.
